DESCRIPTION

The FL-550 is an advanced compact all-in-one MDVR with AI processing and large video storage for fleet video monitoring and risk detection.

Live fleet tracking with live video streaming (both current and historic) from up to 8 channels of video recording.

Up to 4Tb in encrypted and password protected SSD storage, plus optional additional 1Tb storage (2x 512Gb) in the dual SD card slots for extra storage.

Tamper proof lockable hard disk tray and instant alerts for tampering with or covering any of the cameras or wiring.

Get instant SMS / Email alerts for speeding, harsh driving, acceleration, etc.

Alarm inputs for instant duress alerts or input monitoring like PTO engagement.

Supports OBD / CANBUS integration for live tracking of engine data (Fuel usage, RPM & fault codes).

BSD (Blind Spot Detection) and AI Fatigue and Distraction monitoring add-on.
